

THE BUDD GROUP

Founded in **1850**, the **BUDD GROUP** is correspondent to the world's most important maritime insurers, including the International Group of P&I Clubs.

With its knowledge of local shipping regulations and practices, the Group's international network of offices is able to provide prompt and appropriate solutions 24/7 across four continents:

BUDD Malaysia C/o SU Marine AG (M) Sdn Bhd

The Group is proud to expand its services to **Malaysia** with the establishment of our representative office, **BUDD Malaysia**. Covering major ports like **Port Klang, Penang, Johor, and Bintulu**, we specialize in Marine P&I Services, offering reliable surveys, risk assessments, and claims support. Our dedicated team ensures professionalism, accuracy, and 24/7 availability to meet the needs of P&I Clubs and their members.

BUDD Malaysia - Our services

P&I Assistance and Investigations

- **Collision Response:** Managing collision incidents, coordinating with authorities, and handling liability disputes.
- **Pollution Management:** Addressing oil spills and environmental breaches, ensuring regulatory compliance, and organizing cleanup operations.
- **Cargo Claims:** Investigating cargo damage, negotiating settlements, and advising on shipowner liability.
- **Crew Welfare:** Assisting with medical evacuations, post-incident care, and repatriation, while liaising with families and authorities.
- **Customs Issues:** Resolving fines, documentation irregularities, and securing vessel releases.
- **Legal Support:** Handling arrest cases, preparing Letters of Protest, and mediating disputes with third parties.
- **P&I, H&M and technical surveys:** Conducting damage, liability, and cargo condition surveys with detailed reporting.
- **Local Expertise:** Offering insights into regional regulations and providing representation before authorities
