ENGLISH TRANSLATION

In this regard, several correspondences have been addressed to you by COC-TCHAD to follow up on the payment of the fee invoices owed by your company within the framework of crude oil loading.

To date, despite these various reminders, we note that the invoices concerned remain unpaid.

By the present letter, we formally put you on notice to proceed with the full payment of the amount notified in the previous correspondence from COC-TCHAD, within a period of fifteen (15) days from receipt of this notice.

In the event of non-payment within this period, we will initiate any useful legal proceedings in order to safeguard the interests of the State, including bringing the matter before the competent courts without further prior notice, as well as claiming any and all damages.

However, we remain willing to prioritize an amicable and diligent resolution of this situation.

Kind regards
