Office de la Marine Marchande et des Ports – OMMP –

Order N° 7447

NOTICE TO ALL PEOPLE TREATING WITH RADES PORT

To limit the risks of COVID-19 contagion, the administration of Rades port informs all the port authorities, local agents, stevedoring company, the mooring companies, and watchmen that the vessels bound for Rades port are submitted to health service checks on the roads before berthing in the port.

Moreover, the following measures should be taken:

- Crew members are forbidden to leave the vessel and circulate in the port unless in emergency cases;
- Shipowners must specify a disinfected area on the vessel where the crew, the authorities, the local agents, and the stevedores may exchange documents. No-one should go on board if there is no necessity
- It must be ensured that all people working in Rades port are provided with the preventive equipment necessary to guarantee their safety and protect their health

The port administration relies on your understanding and collaboration

Best regards
