OFFICE DE LA MARINE MARCHANDE ET DES PORTS

Rades on October 29th, 2019

**NOTICE TO ALL CLIENTS AND PROFESSIONALS WHO ARE
DEALING WITH RADES PORT**

To all professionals who are dealing with Rades port

Within the frame of executing the suggestions presented during the meeting held in the governorate of Ben Arous on 13/06/2019, and further to the minutes issued in the meeting held on 03/10/2019 in the port authorities offices, and for the purpose of dealing with the reefer containers conditions with a manner to protect the cargoes that are inside and to ensure the efficiency of the services when dealing with these containers and protecting by the way the interests of the cargo receivers, the Office de La Marine Marchande et des ports inform the administration of Rades port, all the local agents, the forwarding and shipping agents, the professionals who are intervening in the importation and exportation of the reefer containers through Rades port, that from 01/12/2019 they have to take the necessary measures to pick up the reefer containers that are carrying the perishable cargoes (such as the fish and the meals ...) immediately after their discharging from the vessels as it is the case of the dangerous cargoes.

In case of absence of evidences which justify that the necessary measures of importation and of containers picking up immediately have been taken, the reefer containers will not be discharged from the vessel and will be returned back within the same voyage.
